

Abstract Painting

experimental methods + creativity workshop

Spend the day making art in a light filled studio overlooking the bay! Unpredictable magic will happen, guaranteed!

In this workshop we will experiment with materials, techniques and concept development for mixed media abstract painting.

We'll use an assortment of fast drying water-based media so you be able to take your work with you at the end of the class. Materials, including paint, paper, wood, fabric, brushes, scrapers, markers and more will be provided. Please bring your own canvases (any size).

All levels of skill welcome—this intermediate level workshop is a confidence booster for seasoned artists and a fast paced introduction for beginners. You'll leave with fresh ideas and new artwork in hand.

Abstract Painting Workshop

Saturday, January 30

10 am - 4 pm with half hour break at lunchtime

\$90 plus \$15 materials fee

What to bring:

- an old shirt or apron
- brown bag lunch
